future, they are clearly not ready emotionally, psychologically or financially," said Daniel Perry, executive director of the Alliance for Aging Research and chair of the ACT-AD Coalition, which commissioned the survey.

Alzheimer's disease, which is universally fatal, affects 4.5 million Americans and causes millions more to leave the workforce to care for loved ones who eventually need around-the-clock attention. As the disease progresses, people suffer severe memory deterioration, confusion, disorientation, personality and behavior change and eventually death. Estimates suggest that by 2010, Alzheimer's disease will affect one in 10 people over age 65, or 5.5 million Americans—and the cost of care will increase 75 percent to about 160 billion annually. Medicare costs alone. The ACT-AD Accelerate Cure/Treatments for Alzheimer's Disease Coalition is launching a campaign to call attention to the urgency of the Alzheimer's disease crisis and, at the same time, the lack of a well-defined approach in the U.S.

for buy suprax online in Australia delivery and access to promising transformational therapies that could halt buy suprax online in Australia reverse the disease. "Alzheimer's is a cruel disease that has been on the back burner of science for buy suprax online in Australia years but no one is immune to it and buy suprax online in Australia toll will be staggering unless baby boomers wake up buy suprax online in Australia the threat and do something about it," said Meryl Comer, Emmy Award-winning television journalist and full-time buy suprax online in Australia for her husband, who was diagnosed with AD at age 58.

"When the onset of the disease is early for a loved one, it is like being a witness to buy suprax online in Australia own future, and I am terrified for buy suprax online in Australia all." 8226; Boomers buy suprax online in Australia they place top priority on new drugs that could change the course of Alzheimer's disease, feel that the FDA should give priority review to these drugs, expect the right to decide whether to use buy suprax online in Australia and are buy suprax online in Australia to accept a degree of risk with promising drugs.

8226; Ninety to 95 percent of respondents said buy suprax online in Australia they would either be unprepared or would find life "not worth living" if they were forced to face limitations common to AD by the time buy suprax online in Australia were 70.
