Through these preventive measures and awareness programs, both government and non-government organizations, as well as numerous concerned citizens, hope to avoid another Columbine or Virginia Tech incident. It is also a way of keeping the image of schools as institutions for learning with assurance of safety and security. Preventing the incidence of bullying not only answers problems with depression among the youth but also decreases the rise in youth crimes.

Sciatica refers to the pain caused by the compression or irritation in the nerves at the lower end of the spine. Sciatica is also known as radiculopathy, which refers to the extension of the spinal disc beyond the normal position, resulting in the pressure on the sciatic nerve.
