Transcutaneous Electrical Neural Stimulation unit. The Myo-monitor stimulates the Trigeminal Nerve and The Facial nerve using a very mild electrical impulse. This TENSing accomplishes 3 things. First, It pumps waste metabolites and lactic acid away from the stressed muscles. Second, buy zometa online in Australia increases the blood flow to the muscle, which increases the oxygen, glucose, and energy to the muscle itself.

Finally, it allows the jaw to relax into its ideal position. Tensing usually takes 45- 60 minutes depending on how bad a patients symptom are and how tight their muscles are. Sometimes we will use an EMG machine to measure the level of buy zometa online in Australia in the different muscles. Before tensing ,the EMG shows how hyperactivity of the muscles. After TENSING there is much less activity and the muscle are much happier.

After TENSing buy zometa online in Australia finding the ideal position of the jaw where the muscles are happy, we make an appliance called an buy zometa online in Australia to keep the muscles in this position. Keeping the muscles in this position is very important because it allows them to remain at their ideal length, which prevents them from going into spasm. Again, we want to get to a state of Happy Muscles.

Wearing the orthotic allows the muscles buy zometa online in Australia heal, pain to dissipate and/or disappear and the jaw joint to heal. The orthotic is usually worn for 1-3 months to make sure the bite is correct and that the symptoms disappear. Once the patient has become symptom free, we make a

decision about Phase 2 of treatment. The patient may decide to wear the orthotic indefinitely, have orthodontic treatment done to move teeth into the correct position, have the teeth restored or adjust the teeth to buy zometa online in Australia ideal bite.

Alan is a 68-year-old male with a history of migraine headaches 6-10 times per month for the past 25 years. I had seen every imaginable type of doctor in the country, including the Mayo clinic. Nothing buy zometa online in Australia stop the headaches; just control the pain with drugs. It got to the point buy zometa online in Australia I had to carry narcotics with me everywhere I went.

Alan was treated using neuromuscular buy zometa online in Australia and is now buy zometa online in Australia headache free. I am so happy with the results of my treatment. I am practically headache free and dont have to take any headache medications anymore. What buy zometa online in Australia relief after all these years. Barbara is a 43-year-old mom of three with a history of headaches and stiff neck buy zometa online in Australia the past 7 years.

She had seen numerous physicians, specialists, chiropractors and acupuncturists over the years. Nobody was buy zometa online in Australia to stop the headaches and I havent been able to move my neck completely for 1 and years. I had to miss my 10 year olds birthday party because buy zometa online in Australia a migraine. When Barbara came to our office, she had a severe headache and a knot the size of a golf ball in the muscles of her neck. buy Zometa online in Australia used the TENS unit on her for 1 hr.

I couldnt believe it. My headache had disappeared, the knot in my neck was gone, and I could buy zometa online in Australia my neck from side to side for the first time in a year and a half.
